

EXHIBITOR INSURANCE

GUIDANCE FOR OUR EXHIBITORS

Please note that our terms and conditions require you to have Public Liability Insurance. This is *not* the same as Employers' Liability insurance, which is mandatory in the UK and other EU countries. You may already have Public Liability cover, however it is important to note that not all business policies offer cover for organised events taking place outside your business premises. IF in doubt you should consult your insurance provider.

We wish to draw your attention to the exhibitor insurance offered by Hiscox, which includes the following cover:

- **Legal Liabilities.** This provides financial protection if you face a legal claim from a member of the public for injury or property damage (public liability) or an employee for injury sustained at work (employers' liability).
- **Cancellation and abandonment.** This insures against the loss of expenses if the event has to be cancelled, abandoned, postponed or relocated, due to circumstances beyond your control.
- **Property Damage.** This insures against the physical loss of or damage to your property, including loss of property in transit to or from the event.

Stand alone public liability insurance or cover for more than one event is also available.

Rules set by the financial regulators in European countries do not permit us to advise you on any insurance matter. You are under no obligation to purchase insurance from Hiscox and may choose to seek a quote from other providers.

Hiscox can insure exhibitors located within European Union countries, Norway, Monaco and Switzerland. *Exhibitors from other countries must arrange insurance locally.*
